PUBLIC STAMP AUCTION NUMBER 151

Sunday September 13, 2009; 1:00 p.m.

FOUR POINTS SHERATON HOTEL

"Bristol Room"

1150 Wellington Road South, London, Ontario

Once again our last sale was extremely well attended with almost 100 registered floor bidders and over 250 bid sheets received through the mail, by fax, or through our web site. All contributed to spirited bidding and competitive prices. Certainly an indication that the stamp market remains strong!

Our 152nd Public Stamp Auction once again contains a variety of bulky material ranging from intact collections, large lots, and floor sale only material. In fact there are over 140 "Floor Sale Only" lots so make plans now to attend this sale. In addition, this sale features many wonderful items including intact collections and postal history from all areas of the world. This is truly a sale with "something for everyone."

Preparations for future auctions continue with many wonderful collections received to date. If you have material for sale please contact me as soon as possible. We want to make sure your material is carefully lotted to bring the maximum return. I know you have put a lot of time, effort, and plain old hard-earned money into your collection. You can be assured your material will receive the care and attention it deserves.

Please note. Our computer system will automatically change your bidder status to inactive if you have not participated in the past few auctions. I would encourage you to subscribe to our catalogues so you have the opportunity to acquire material you might otherwise miss. Please see the section "Prices Realized" below.

A note for our out-of-city customers. If you plan on staying overnight and require accommodation, a reservation can be made at the Four Points Sheraton by calling (519) 681-0600. Other hotels nearby (within 50 yards) are Comfort Inn (519) 685-9300 and Quality Suites (519) 680-1024.

As a reminder, **we have not increased** our buyer's commission to 20% as many other auction firms have. Our buyer's commission is 12.5% of hammer price. As well **we do not charge a premium** for using your credit card for your purchases. In fact, we encourage the use of credit cards. If you want your lots shipped immediately following the auction the best way to ensure it happens is to indicate your credit card number and expiry date on the bid sheet at the time of bidding.

I have commented previously on the importance of mailing your bids sheets in plenty of time to arrive prior to sale day. Each auction we receive numerous bid sheets the week after the auction. Many of these had bids that may very well have been successful since the amount bid was higher than the sold price. So if you don't want to be disappointed, please mail your bid sheet early. If you have internet access you can go to our web site and bid online.

Good luck in this sale!

VIEWING OF LOTS

Lots may be viewed the week prior to the auction by appointment. Please telephone (519) 681-3420. Viewing the day of sale from 9:00 a.m. until 12:30 p.m. at the Four Points Sheraton. We encourage local customers to view by appointment prior to the sale to avoid the rush on sale day.

SUBSCRIPTIONS AND PRICES REALIZED

We never know from sale-to-sale the type of material we may offer. So as not to miss items in a specialty area, we encourage all who receive our catalogues to become subscribers. As well, prices realized are available to our subscription customers only. For the successful bidder they are a written confirmation of the prices paid in the sale. For unsuccessful bidders the prices realized provide information to help bid effectively in future sales. For the potential buyer or seller they reflect the true market value of the material sold.

Annual subscription rates are \$20.00 (G.S.T. included) to our customers in Canada; to our customers in the United States \$25 (U.S. funds); and all other countries \$30 (U.S. funds). Mailing your payment today guarantees copies of future sales are mailed directly to you.

AUCTION RESULTS

We realize mail bidders may be anxious to know if they were successful. We attempt to complete the invoicing and mailing of lots to successful mail bidders as fast as possible. Therefore, we will not be able to answer phone calls or respond to email inquiries about lots or the selling prices until the Thursday following the sale. Your cooperation is appreciated.
