

## TERMS OF SALE

1. All lots in this auction are sold without reserve to the highest bidder. In the case of tie bids, the first bid received wins the lot. The decision of the auctioneer will be final shall a dispute arise. A 12.5% buyers premium will be added to the hammer price of each lot and is payable by the purchaser as part of the total purchase price. Bid with confidence; your bid will be executed at the lowest price competition allows.
2. Terms of sale are strictly cash upon receipt of invoice. All lots sold are subject to Federal and Provincial taxes, as appropriate.
3. Successful mail bidders will be notified of their purchases and lots forwarded upon receipt of payment. Payment must be made within three days of receipt of invoice. Interest of 2% per month will be charged on all accounts past 30 days. A service charge of \$25 will be levied for all cheques returned NSF. Ownership shall not transfer to the purchaser until full payment has been received. Any agent shall be responsible for all purchases made on behalf of his or her principals.
4. Postage, registration, handling, and insurance will be charged to successful bidders. Minimum charge \$1.00.
5. All lots are sold as genuine and as described. Should a lot be misdescribed, you may return the lot intact within three days of receipt. No photographed lot may be returned for reasons of centering, cancellation, or condition of perforations. Stamps described as average or faulty may not be returned. No lot may be returned by persons having the opportunity to view the material prior to the sale. Floor bidders, agents and others attending the sale **may not return lots**. Returns will not be accepted from bidders who used an agent to execute bids. Collections or any lot containing 10 or more stamps may not be returned for any reason. Except for item number 6 below, returns will not be accepted for any reason following 30 days of sale.
6. Should a purchaser wish to submit an item for expertization, the auctioneer must be notified prior to the sale and the lot paid for in full at the time of sale. If the lot proves to be other than described, the purchase price will be refunded in full. All costs of expertization will be borne by the purchaser. If a negative opinion is received we will refund a maximum of \$30 of the expertization fee. The inability of an expert committee to provide an opinion is insufficient reason for the return of the item.
7. All bids are executed in Canadian currency. Other currencies accepted at the rate of exchange as at the date of sale.
8. All catalogue numbers and values are retail prices from the current Scott catalogues unless otherwise noted and are quoted in U.S. dollars. Unitrade Canada Specialized values are used for Canada and B.N.A. and are in Canadian dollars.

# PUBLIC STAMP AUCTION NUMBER 150

Sunday April 26, 2009; 1:00 p.m.

## FOUR POINTS SHERATON HOTEL

"Balmoral Room"

1150 Wellington Road South, London, Ontario

Welcome to our 150th Public Stamp Auction.

Once again we are pleased to present a variety of bulky material ranging from intact collections, large lots, and floor sale only material. This sale features many wonderful items including intact collections and postal history from all areas of the world. There is an excellent selection of Canadian material in this sale including lovely illustrated advertising covers.

Preparations for future auctions continue with many wonderful collections received to date. If you have material for sale please contact me as soon as possible. We want to make sure your material is carefully lotted to bring the maximum return. I know you have put a lot of time, effort, and plain old hard-earned money into your collection. You can be assured your material will receive the care and attention it deserves.

Please note: Our computer system will automatically change your bidder status to inactive if you have not participated in the past few auctions. I would encourage you to subscribe to our catalogues so you have the opportunity to acquire material you might otherwise miss. Please see the section "Prices Realized" below.

A note for our out-of-city customers. If you plan on staying overnight and require accommodation, a reservation can be made at the Four Points Sheraton by calling (519) 681-0600. Be sure to mention you are attending the Sheffield Stamp Auction to receive our preferred customer rate.

As a reminder, ***we have not increased*** our buyer's commission to 15% as many other auction firms have. Our buyer's commission is 12.5% of hammer price. As well ***we do not charge a premium*** for using your credit card for your purchases. In fact, we encourage the use of credit cards. If you want your lots shipped immediately following the auction the best way to ensure it happens is to indicate your credit card number and expiry date on the bid sheet at the time of bidding.

I have commented previously on the importance of mailing your bids sheets in plenty of time to arrive prior to sale day. Each auction we receive numerous bid sheets the week after the auction. Many of these had bids that may very well have been successful since the amount bid was higher than the sold price. So if you don't want to be disappointed, please mail your bid sheet early. If you have internet access you can go to our web site and bid online.

Good luck in this sale!

### VIEWING OF LOTS

Lots may be viewed the week prior to the auction by appointment. Please telephone (519) 681-3420. Viewing the day of sale from 9:00 a.m. until 12:30 p.m. at the Four Points Sheraton. We encourage local customers to view by appointment prior to the sale to avoid the rush on sale day.

### SUBSCRIPTIONS AND PRICES REALIZED

We never know from sale-to-sale the type of material we may offer. So as not to miss items in a specialty area, we encourage all who receive our catalogues to become subscribers. As well, prices realized are available to our subscription customers only. For the successful bidder they are a written confirmation of the prices paid in the sale. For unsuccessful bidders the prices realized provide information to help bid effectively in future sales. For the potential buyer or seller they reflect the true market value of the material sold.

Annual subscription rates are \$20.00 (G.S.T. included) to our customers in Canada; to our customers in the United States \$25 (U.S. funds); and all other countries \$30 (U.S. funds).

### AUCTION RESULTS

We realize mail bidders may be anxious to know if they were successful. We attempt to complete the invoicing and mailing of lots to successful mail bidders as fast as possible. Therefore, we will not be able to answer phone calls or respond to email inquiries about lots or the selling prices until the Thursday following the sale. Your cooperation is appreciated.
